Attachments: [ADH-EPA joint letter to residents of Hope Iron Metal. English-Spanish. Jan 2017.pdf](#)

Attached is the pdf letter in English and Spanish. Please add your signature to both letters and email it back to me. I will then print this double-sided and mail to property owners. Thanks, Ashley

Nic,

Attached is the joint letter from ADH/EPA. Please review and let us know if you have any comments. Also, please review your title and contact information and make sure that is correct. I will work on getting this translated into Spanish through our Office of Minority Health after I hear back from you. Thanks, Ashley

Subject: RE: Hope Iron and Metal

Per the discussions today, ADH will draft a joint letter to the residents living on the Hope Iron & Metal property. Do you have any contact names we can use to address the letter to? I know it was mentioned there may not be a way to get the letter to them except by hand delivery. Otherwise, we will have to use generic 'Residents'. We will also work on getting the letter translated into Spanish. ATSDR has ToxFAQs sheets for lead and PCB in Spanish we can attach to the letter.

Thanks,

Ashley

Sorry if I confused you by sending the 2 meeting requests. I have a mtg from 12-1:30p, but the person who set it up had told me 11-12:30p. Anyway, the request for 1:30p is the correct one for your calendars.
